The date for the CFO letter is typically the date the CD is entered.

The signed letter is not due until ten days after entry. However, if it helps now, you can annotate the form to indicate date lodged. The Docket No. will remain the same.

Cliff,

The person at Union Pacific who is coordinating the financial assurance documents asked me whether the date of the Consent Decree to be inserted in EPA's form CFO letter and form CPA letter is the date on which the Consent Decree is lodged, the date on which the Consent Decree is entered, or if either date is acceptable. His preference would be to use the lodging date because he needs to have all of the blanks completed before he can obtain signatures and he would like to start the signature process as early as he can.

Also, I assume that the Docket No. for the Consent Decree will be 2:09-cv-00392-EJL, the Docket No. assigned to the complaint DOJ filed this summer. If not, please let me know as soon as possible.

Thanks.
